

Pupil premium strategy statement 2022/23

This statement details our school's use of pupil premium (and recovery premium for the 2021 to 2022 academic year) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

School overview

Detail	Data
School name	St Stephen and All Martyrs' CE Primary School
Number of pupils in school	206
Proportion (%) of pupil premium eligible pupils	24%
Academic year/years that our current pupil premium strategy plan covers	2022 - 2023
Date this statement was published	November 2022
Date on which it will be reviewed	November 2023
Statement authorised by	Rebecca Unsworth
Pupil premium lead	Rachelle Galloway
Governor / Trustee lead	Ben Barnes

Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£73,820
Recovery premium funding allocation this academic year	£14,681
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£0
Total budget for this academic year	£88,501

Statement of intent

When making decisions about using Pupil Premium funding it is important to consider the context of the school and the subsequent challenges faced. This alongside research conducted by the EEF. Common barriers to learning for disadvantaged children can be: less support at home, weak language and communication skills, lack of confidence, more frequent behaviour difficulties and attendance and punctuality issues. There may also be complex family situations that prevent children from flourishing. The challenges are varied and there is no "one size fits all".

We will ensure that all teaching staff are involved in the analysis of data and identification of pupils, so that they are fully aware of strengths and weaknesses across the school.

Principles

- We ensure that teaching and learning opportunities meet the needs of all the pupils
- We ensure that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed
- In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged
- We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has legitimately identified as being socially disadvantaged.
- Pupil premium funding will be allocated following a needs analysis which will identify priority groups or individuals. Limited funding and resources means that not all children receiving free school meals will be in receipt of pupil premium interventions at one time.

Overall Objectives

- To narrow the attainment gap between disadvantaged and non-disadvantaged pupils nationally and also within internal school data.
- For all disadvantaged pupils in school to exceed nationally expected progress rates in order to reach Age Related Expectation at the end of Year 6 in reading, writing and mathematics.

Achieving These Objectives

The range of provision the Governors consider making for this group include and would not be limited to:

- 1-1 support for some pupils.
- Additional teaching and learning opportunities provided through trained TAs.
- All our work through the pupil premium will be aimed at accelerating progress, moving children to at least age-related expectations.
- Pupil premium resources are to be used to target able children on Free School Meals to achieve Age Related Expectations
- Transition from primary to secondary and transition internally and into EYFS.
- Additional support for learning. .
- Pay for some activities, educational visits and residential trips. Ensuring children have first-hand experiences to use in their learning in the classroom.
- Funding for pupils to access before and after school provision (FABBs)
- To extend PE provision, offering pupils additional time for sporting activities and improving self-esteem etc.
- Skills club, after school every Tuesday, supporting pupils to complete home learning activities, spellings and number facts as well as practising skills such as tying shoelaces etc.
- Behaviour and nurture support during lunchtimes by providing activities to engage and promote positive behaviour and thus enhance learning.

This list is not exhaustive and will change according to the needs and support our socially disadvantaged pupils require.

Part A: Pupil premium strategy plan

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Poor Language and Communication skills
2	Low baseline on entry to the Early Years Foundation Stage
3	Attendance and Punctuality
4	SEMH issues (Including low self-esteem, anxiety, attachment
5	Behaviour issues for a small number of PPG children in KS2
6	Limited support with home reading
7	Disengagement with core homework tasks due to lack of support/technology
8	The gap in attainment between pupil premium pupils and non-pupil premium pupils. (particularly evident since Covid 19)

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Progress in Reading	Achieve above national average progress scores in KS2 Reading (0)
Progress in Writing	Achieve above national average progress scores in KS2 Writing (0)
Progress in Mathematics	Achieve above national average progress scores in KS2 Maths (0)
Phonics	Achieve above national average expected standard in PSC
Other	Ensure attendance of disadvantaged pupils is above 95%

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

1. Teaching (for example, CPD)

Budgeted cost £29,114

Activity	Evidence that supports this approach	Challenge number(s) addressed
<i>Language programme- Nelli</i> <i>Release of TA</i> £1,368	Currently we have 5 disadvantaged pupils in our reception cohort = 25% of the class. On entry to Reception, in most cohorts many of the children have low Communication and Language skills – currently 40% of our disadvantaged children are working at below expected standards in communication and language. In 2021, 30% of our reception cohort were classed as disadvantaged and 100% of these were below national standard in communication and language at baseline. Due to and poor socio-economic and disadvantaged upbringing, children are unlikely to have the breadth of vocabulary, knowledge and skills required that 'typical' Reception children have. In KS1 and KS2, children are unlikely to use talk to connect ideas and explain what is happening coherently.	1, 2
<i>Staff CPD</i> £5,000 <i>Release for staff training</i> £1,200	High quality staff CPD is essential to follow EEF principles for education. This is followed up during Staff meetings and INSET. We are part of the North West Turing Maths Hub. Positive Education Programme.	4,5
Staffing Costs £19,456 £2,090	TAs to support 1:1 reading, "keep up, not catch up" programmes and offer targeted support for those disadvantaged pupils who have gaps in their learning. Achievement for All leader release time to monitor and track progress /attainment and interventions of disadvantaged pupils	6 8

2. Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: £ 27,270

Activity	Evidence that supports this approach	Challenge number(s)) addressed																																																								
Weekly skills club- Teaching assistant for 1 hour after school every Tuesday. £3,100 Qualified teacher to support interventions in Year 6 £18,500	Since the pandemic, it became evident that the attainment gap between disadvantaged pupils and their peers had widened, despite the fact they were making at least good progress in reading, writing and mathematics. Disadvantaged (Pupil Premium) Attainment -% on track to meet or exceed ARE <table><tr><td></td><td>Y1 (6)</td><td>Y2 (11)</td><td>Y3 (6)</td><td>Y4 (12)</td><td>Y5 (7)</td><td>Y6 (5)</td></tr><tr><td>Reading</td><td>50%</td><td>55%</td><td>33%</td><td>33%</td><td>71%</td><td>80%</td></tr><tr><td>Writing</td><td>50%</td><td>46%</td><td>33%</td><td>33%</td><td>29%</td><td>80%</td></tr><tr><td>Mathematics</td><td>67%</td><td>63%</td><td>67%</td><td>50%</td><td>43%</td><td>80%</td></tr></table> Progress % on track to meet or exceed target <table><tr><td></td><td>Y1 (6)</td><td>Y2 (11)</td><td>Y3 (6)</td><td>Y4 (12)</td><td>Y5 (7)</td><td>Y6 (5)</td></tr><tr><td>Reading</td><td>80%</td><td>90%</td><td>50%</td><td>50%</td><td>71%</td><td>80%</td></tr><tr><td>Writing</td><td>80%</td><td>100%</td><td>33%</td><td>67%</td><td>43%</td><td>100%</td></tr><tr><td>Mathematics</td><td>80%</td><td>100%</td><td>100%</td><td>92%</td><td>86%</td><td>60%</td></tr></table> Pupils in Year 6 were supported by a qualified teaching each morning for reading, writing and mathematics. Current data (July 2022) indicates that disadvantaged pupils achieved the following at the end of KS2 (5 pupils in total) Reading: 80% expected and 20% at GDS Writing: 80% expected and 20% at GDS Mathematics: 80% expected and 20% at GDS However, despite the improvement in data at the end of KS2, we became aware that a majority of disadvantaged pupils were struggling to access home learning (KS1 and KS2) % of pupils were not completing home learning tasks regularly. Last year, we provided disadvantaged pupils with technology in the form of laptops and access to the internet to support them with this. However, this did not solve the problem of the number of pupils completing work at home. This year, we are offering small group skills sessions to disadvantaged pupils, which take place after school with the class-teaching assistant, in order to support home learning activities, learning spellings and number facts.		Y1 (6)	Y2 (11)	Y3 (6)	Y4 (12)	Y5 (7)	Y6 (5)	Reading	50%	55%	33%	33%	71%	80%	Writing	50%	46%	33%	33%	29%	80%	Mathematics	67%	63%	67%	50%	43%	80%		Y1 (6)	Y2 (11)	Y3 (6)	Y4 (12)	Y5 (7)	Y6 (5)	Reading	80%	90%	50%	50%	71%	80%	Writing	80%	100%	33%	67%	43%	100%	Mathematics	80%	100%	100%	92%	86%	60%	6, 7, 8

Mathematics	80%	100%	100%	92%	86%	60%																																																				
Children make accelerated progress in reading/phonics	HLTA to deliver 1:1 specific 'keep up and catch' Sessions to ensure accelerated progress. <i>Max 15 hrs per pupil (£13.50 DfE £4.50 SSAM)</i>	8																																																								

as a result of 1:1 support £1,890		
Children make accelerated progress in Writing as a result of 1:1 support £1,890	HLTA to deliver 1:1 specific 'keep up and catch' Sessions to ensure accelerated progress. Max 15 hrs per pupil (£13.50 DfE £4.50 SSAM)	8
Children make accelerated progress in Maths as a result of 1:1 support £1,890	HLTA to deliver 1:1 specific 'keep up and catch' Sessions to ensure accelerated progress. Max 15 hrs per pupil (£13.50 DfE £4.50 SSAM)	8

3. Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £33,050

Activity	Evidence that supports this approach	Challenge number(s) addressed																		
Attendance Officer £2,500	Attendance and Punctuality issues. Attendance figures are currently 92.87% for Pupil Premium pupils which is below the figures for non-disadvantaged pupils at 95.17%. <table><tr><td></td><td>Pupils in group</td><td>Attendance</td><td>Authorised absences</td><td>Unauthorised absences</td><td>lates</td></tr><tr><td>Pupil Premium</td><td>56</td><td>92.87%</td><td>4.53%</td><td>2.6%</td><td>2.46</td></tr><tr><td>Non Pupil Premium</td><td>145</td><td>95.17%</td><td>3.16%</td><td>1.67%</td><td>0.32%</td></tr></table> Disadvantaged pupils' attendance figures need to be brought in line with those of non-disadvantaged pupils. Therefore, we employ an attendance officer to conducts home visits and advises on possible courses of action to engage with the families.		Pupils in group	Attendance	Authorised absences	Unauthorised absences	lates	Pupil Premium	56	92.87%	4.53%	2.6%	2.46	Non Pupil Premium	145	95.17%	3.16%	1.67%	0.32%	3, 4, 5
	Pupils in group	Attendance	Authorised absences	Unauthorised absences	lates															
Pupil Premium	56	92.87%	4.53%	2.6%	2.46															
Non Pupil Premium	145	95.17%	3.16%	1.67%	0.32%															
Behaviour Support Service £7,000	Bolton LA allows us access to support with regard to behaviour and mental Health services. Our disadvantaged pupils are more likely to experience behaviour issues or social and emotional difficulties which impacts on their academic progress. However, existing interventions through 1:1 support and nurture sessions have had a positive impact on the frequency and severity of behaviour incidents.																			

<i>FABBS before and after school provision</i> £9,000 <i>Nurture sessions with SNA</i> £4,800 Support for Educational visits/visitors and residential visits... £3,500	Free places are available to ensure our disadvantaged families have the right support to secure strong attendance and punctuality. Two afternoons a week are used to support disadvantaged pupils with SEMH difficulties. Disadvantaged pupils may be unable to cover the costs of educational visits/visitors. PPG Funding to support this important part of school life.	
<i>Magic Breakfast</i> £650.00 <i>provides a free breakfast for all children to start their day.</i>	All pupils have access to warm bagels when they first arrive in school. These are available for the children up to break time. Research shows hungry children do not perform as well.	8
<i>Wider opportunities</i> £600.00	Every child has the right to learn to play an instrument. This is the first year that we have introduced wider opportunities for children to learn a musical instrument with a peripatetic teacher. Our current Year 4 cohort benefit from this programme.	4,8
<i>Additional physical activity sessions with a sports coach.</i> £5,000	Disadvantaged pupils are more unlikely to participate in paid after school sports activities. To support and promote the National Child Measurement Programme for our disadvantaged pupils we offer Friday afternoon sessions with our sport's coach. We also offer additional after school sports sessions for all children and provide five free places for each club, specifically for disadvantaged pupils.	4, 5, 8

Total budgeted cost: £89,434

Part B: Review of outcomes in the previous academic year = Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2021 to 2022 academic year.

KS2 Disadvantaged pupil progress scores for last academic year

Measure	Score
Reading	1.2
Writing	2.8
Maths	1.4

KS2 Non-SEN Disadvantaged pupil progress scores for last academic year

Measure	Score
Reading	2.2
Writing	2.5
Maths	1.3

Strategy aims for disadvantaged pupils

Measure	Disadvantaged	Non-disadvantaged
Meeting expected standard at KS2		
Reading	80%	88%
Writing	80%	80%
Maths	80%	84%
Achieving high standard (GDS) at KS2		
Reading	20%	28%
Writing	20%	20%
Maths	20%	32%

Summary of the success of our Pupil Premium Strategy.

These figures confirm that our disadvantaged children have, in fact, achieved very good outcomes, which exceed national performance on most measures.

Despite our disadvantaged pupils receiving remote education during their Year 4 and Year 5 education, evidence suggested that these pupils were less engaged and supported at home, they have performed well in relation to both progress and attainment in reading, writing and mathematics.

The results show that disadvantaged performed as well as their peers in writing in both expected standards and greater depth standards. In reading and mathematics, their attainment was almost in line with their peers for expected standards. However, progress measures clearly show that disadvantaged pupils' progress scores were better than non-disadvantaged pupils in writing and mathematics.

Externally provided programmes

Please include the names of any non-DfE programmes that you purchased in the previous academic year. This will help the Department for Education identify which ones are popular in England

Programme	Provider
Ed-Shed	Education Shed
