

St Stephen and All Martyrs' Primary School

Year 3 Home Learning Grid

Term: Spring Term 1

Learn my weekly spellings in preparation for the test every Monday.	Learn all multiplication and division facts to 12 x 12. Use Times Tables Rockstars.	Read at least 5 x per week.
Design your own model of Stonehenge. You can use any materials you wish but it must be 3D.	It's time to go on a Rock Hunt! Use your local area to find different types of rocks. Draw pictures or take photos of them and write down which types of rocks they are.	Design a poster informing children about e-safety. Why is it important, and what should children do if they feel unsafe online? Add pictures and make it stand out.
Write a recipe for a Stone Age meal. Think about what food was available. Do some research if you can.	Design and draw your own rock monster or rock superhero. What powers do they have? 	Create your own word search of written numbers. (E.g. sixty seven, one hundred and forty four, nine hundred and fifty seven). See if somebody at home can find your words!
