

St Stephen and All Martyrs' Primary School

Reception Spring 2 Home Learning Grid (Bears)

Practise letters and sounds reading and writing them. Learn to read and write all the tricky words we sent home In the front of green book.	Read and write as often as possible (books, labels, internet etc)	Practise numbers to 10 order the numbers forwards and backwards say 1 more than numbers Remember to go on maths city on Purple Mash
Write down 5 facts about bears.	Make a collage of a bear of your choice in its natural habitat.	Make a bear puppet
Play a game at home can you read any of the rules?	Look at your shadow at different parts of the day how does it change?	Bake/cook something following a recipe see how much you can do without help. Can you read some of the instructions? Can you get the ingredients ready? Can you wash up???
