Annual Reports

You will receive your child's annual report on THURSDAY.

I hope you find it informative. **PLEASE** do take the time to respond to your child's class teacher with your comments on the slip enclosed with their report.

Both they and I look forward to reading your feedback

As always, there is the option to make an appointment to discuss any aspects of child's report in more detail, should you wish to, with their current class teacher.

Please email the office and they will be happy to arrange one.

Year 6 SATs Results - UPDATE

Due to a national delay in the release of this year's Year 6 SATs results, schools have not yet received the official outcomes from the Standards and Testing Agency. As a result, your child's SATs results will not be available in time to be included in their annual school report.

We have been advised that schools are expected to receive the results on **16 July**. Once we have received the official results, verified and checked the papers - we will share the results with you as soon as possible.

Thank you for your patience and understanding. If you have any questions, please do not hesitate to contact the school.

As a result of the change– we have had to move our Year 6 Chad Fest – to Tuesday 14th, instead of the advertised Thursday. (Fun, games & festivities in our very own leaver's festival. Children can wear non-uniform – but it needs to be festival/outdoor suitable!)

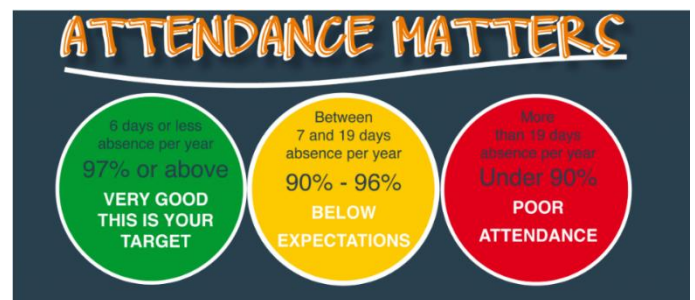

LAST DAY
to buy your
ticket –
TODAY!

ALL Children should be collected from their usual classroom doors, after the disco. Please note we do not permit children to walk home alone after an event.

If you would like your child to be able to buy sweets, drinks or disco souvenirs on the night- please send them with some money in a names purse or wallet.

THANK YOU
