

Paul Jenkins Poet

Today we have had the **WONDERFUL** Paul Jenkins in school working with all the children across school.

He brings a huge wealth of experience and laughter!

He will be selling copies of his book in the library after school if anyone is interested.

YEAR 6 Bikeability Training – begins on Friday.

PLEASE make sure you have completed the Health & Safety questionnaire for your child via the QR Code sent out. The company delivering the training need this, otherwise the children will not be able to take part.

A separate letter has already been sent about the items the children need.

PLEASE make sure your child has their wellies in school. The weather is changing, but we still intend on using Dr Chadwick's Lab.

PLEASE CROSS THE ROAD, USING THE ZEBRA CROSSING

The road outside school is a very busy one. **We need to keep our children safe.**

The number of parents parking and dropping in St Stephen's Close is increasing and this is a risk to our children when they cross on the corner facing the school gates.

PLEASE cross the road a little further up the road - using the zebra crossing.

Have you returned your September Package? If not, please could you do so ASAP – so we can check our records & update. THANKS

Thank You!

To everyone who donated to our Harvest Festival last week – we were able to donate a large amount of food to Urban Outreach. Thank you also to those who came to join us to celebrate in church.

A BIG thank you to Year 5 who did a FABULOUS job!
