P.L.T. Pupil Leadership Team

Our Year 6 pupils have been working hard to apply for roles within our school Pupil Leadership Team. Each of them will lead school within their areas alongside a member of staff. They will act as school ambassadors and will support younger pupils in a range of different ways: with outdoor games at lunchtime, changing library books, sharing ways of keeping safe and seeking their views about different aspects of school life.

Their letters of application were fantastic, making it a very difficult decision. We are so proud of each and every one of them. The school council and Community Champions along with the Eco Warriors will be supported by members of other classes, these representatives will be voted for by their peers. Our Wellbeing Ambassadors were voted for late last year- so they will continue with their roles for this academic year.

We are delighted to announce our 2026-27 P.L.T.

Parent & Teacher Meetings

Parent and Teacher meetings are due to take place on **Wednesday 21st October**. This will give you an opportunity to talk to your child's class teacher and find out how they have settled during the first half term in their new year group.

The meetings will take place in the hall and your child's books will be available for you to look at before your appointment.

You will receive a text this evening. Please use the link – to book your appointment.

We look forward to welcoming you.

Autumn Package Yr1-Yr6

We sent out your child's Autumn Package to you – if you have not checked and returned it to school – PLEASE COULD YOU DO SO THIS WEEK?

Please take care to ensure you have provided the correct contact numbers and email addresses, as we are aware mobile numbers can change frequently.

Thank you.

Ofsted 2023**

Dear Parent/Carer,

At SSAM, we believe educational visits and enrichment activities play an important role in bringing learning to life and broadening children's experiences.

To help families plan ahead, below are the visits currently planned across school this academic year.

We are committed to providing high-quality opportunities for all pupils. To keep costs as low as possible, the school subsidises all trips and has booked visits in advance to secure the best prices. We therefore ask families to make voluntary contributions towards the cost of these experiences.

While no child will be excluded if a contribution cannot be made, **visits may need to be cancelled if insufficient funding is received.**

Payments can be made via **School Money at eduspot.com/parent login**. If you would prefer to spread the cost, you are welcome to make payments in smaller amounts throughout the year. If you require support with payment, please contact the school office in confidence.

Further details about each visit will be shared nearer the time. We wanted to provide this information now to help families plan and budget ahead.

Thank you for your continued support.
