

St Stephen and All Martyrs' Primary School

Year 5 Home Learning Grid

Term: Autumn Term 2

Learn my weekly spellings in preparation for the test every Friday.	Learn all multiplication and division facts to 12 x 12. Use Times Tables Rockstars.	Read at least 5 x per week. This can include reading books of your choice.
Let's get cooking! Cook or bake a dish at home with your family. Write out the list of ingredients needed (try to use Fairtrade products if you can) and the instructions to create your meal. Upload a picture if you can so we can see what you made!	Collect pictures of a wide range of foods from magazines, newspapers, packaging etc. Think of a way to group your foods (e.g. colour, wellbeing plate, size) and make a poster showing your groups. Label them to help others understand your idea.	Keep the packaging of all the food you eat and drinks you have over a day. Once you've collected it all, calculate the total amount of calories, sugar, fat and salt. Show all of your working out.
What is meant be the term FAIRTRADE? Create a report or PowerPoint explaining what it means.	Create some food craft! See http://www.thedailybuzz.com.au/2011/10/20-creative-food-ideas-for-kids/ for ideas! Email or bring in pictures of your creations. 	Write a play script based on the story of Oliver Twist but change the characters. You can even set it in present day or the future!
